Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the first section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the second section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the third section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the fourth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the fifth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the sixth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the seventh section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the eighth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the ninth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the tenth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the eleventh section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the twelfth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the thirteenth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the fourteenth section.

Table with 4 columns: ΚΟΡΥΦΗ, X, Y, and a grid of numerical values representing elevation data for the fifteenth section.
