15	A15 to A16
16	A16 to A17

2. THESE DATA
 To determine the height of the points A1 through A17 at the
 A1, A2, A3, A4, A5, A6, A7, A8, A9, A10, A11, A12, A13, A14, A15, A16, A17
 the following data were obtained. The points are
 the following: the above are the points.

3. THESE DATA
 To determine the height of the points A1 through A17 at the
 A1, A2, A3, A4, A5, A6, A7, A8, A9, A10, A11, A12, A13, A14, A15, A16, A17
 the following data were obtained. The points are
 the following: the above are the points.

4. THESE DATA
 To determine the height of the points A1 through A17 at the
 A1, A2, A3, A4, A5, A6, A7, A8, A9, A10, A11, A12, A13, A14, A15, A16, A17
 the following data were obtained. The points are
 the following: the above are the points.

5. THESE DATA
 To determine the height of the points A1 through A17 at the
 A1, A2, A3, A4, A5, A6, A7, A8, A9, A10, A11, A12, A13, A14, A15, A16, A17
 the following data were obtained. The points are
 the following: the above are the points.

6. THESE DATA
 To determine the height of the points A1 through A17 at the
 A1, A2, A3, A4, A5, A6, A7, A8, A9, A10, A11, A12, A13, A14, A15, A16, A17
 the following data were obtained. The points are
 the following: the above are the points.
